That's what British Columbia Red Cedar Shingles are made for.

All of the necessities of life—all the important commodities—are getting higher and higher in price. There is as yet one important exception—Red Cedar Shingles.

The same amount of wheat, the same amount of hogs, will buy twice as many Red Cedar Shingles as in 1914.

Why wait to attend to that roof until the wet weather sets in? **Do it now.**

Lieut. W. Stewart Killed
Word has been received that Lieut. W. Stewart, Son of A. Stewart, Winnipeg, has been killed in action. He went overseas with the 17th battalion in 1916, as a private, but was later promoted to the rank of Lieutenant. Previous to enlisting he was on the staff of the Union Bank here, and later manager of the branch at Carstairs. He was an enthusiastic hockey player, and was a member of Lacombe's Champion team for some years. He had a host of friends in Lacombe, who will be shocked to learn of his untimely death. He was in his 29th year.

Tobacco Shower a Success

The Tobacco Shower on Saturday last, for the purpose of supplying our boys overseas with Christmas smokes, was a most successful affair. Never was there a more generous response to any appeal yet made by the ladies of Lacombe. Everyone seemed anxious to give, and the result was that \$205.05 in cash and \$48.10 in tobacco was the result of the day's work. Mrs. A. Lundie, and ladies who assisted her in making the shower a success, wish to thank all who so liberally contributed.

REG. BROWN DEAD

Mr. N. E. Carrothers this week received the following letter from our old townsman L. B. Brown, appraising him of the death of his son Reg, well known to all old timers in Lacombe.

I am sure that you will be very sorry to hear that poor Reg died last week of Spanish Influenza.

He wired us on the 23rd Sept. that he had been accepted for the Royal Air Force, and was leaving for Toronto the following Saturday to commence training. He

stopped at Castleton, Vermont, where he had been working for the past nine months, (presumably to finish something connected with his work) and on Oct. 2nd, we got a wire from there telling us that he was taken sick with "grippe" on Sept. 26th, that pneumonia had set in and that the crisis would be on the 4th inst. On the evening of that day we got word saying that he had died at seven o'clock of that morning. Owing to the very infectious nature of his complaint the Health authorities strongly recommended that the body should be brought home for burial, that it be embalmed and buried there so that it could be moved up here at some later date if necessary, so the poor boy is buried in Castle Cemetery in Vermont. Mrs. Brown was down near Seattle visiting Jessie when we got the news, and only got home on Monday night last, having travelled since early Saturday.

We are all feeling very badly about it as you may imagine. Yours very sincerely, L. B. Brown.

Bentley

A meeting was held in the town clerk's office on Friday evening to arrange for the local Victory loan Campaign. Messrs. Gourlay and Jones of Lacombe were in attendance to assist in the organization.

Mr. H. W. Birch was appointed Chairman and Rev. John M. Pawcett, Secretary-Treasurer of the campaign committee. A committee was named as follows: C. F. Damron, J. H. Damron, P. E. Thorp, F. W. Thorp, K. Kerr, Geo. Hamilton, J. E. Evernden, R. W. Woolgar and J. G. Blish with power to add to their numbers. These will be the canvassers for the campaign which begins on October 27 and continues for three weeks. The objective set for Bentley District is \$15,000.00. The committee hope to do much better than this. The Bentley District consists of Townships 40 and 41 in Ranges 1 and 2 and that portion of Township 39, range 1 which lies north of the Blindman River. An effort will be made to get a prominent speaker to address some meetings in various parts of the district. Get ready to do your part.

Misses Francis Court, Jean Miller, and Nita Nicholson are home from their schools for the holiday. On Friday the Young folks of the community dropped in unexpectedly at Miss Don's Taylor, and presented her with a wrist watch, as a token of their esteem and good wishes. A very enjoyable evening was spent in lively games. Miss Taylor will be greatly missed in Bentley, particularly in Church work, as Supt. of the Primary Dept. in the S. S. in the Choir and Mission Band, and in general usefulness it will be hard to find some one to take her place. The best wishes of the community go with her as she enters hospital training for a nurse.

At the Veteran Theatre has been fortunate in securing for To night and tomorrow night the great feature, "A Soul For Sale" featuring the renowned Actress Dorothy F. Blue. This picture is said to be the best Dorothy

Philips has taken part in up to date and should not be missed by any of our film fans. The story in brief is

Old man circumstances held Neila in the hollow of his hand. Her own mother had just stolen five thousand dollars from Steele Minturn, the man she loved; she had extracted a fearful confession from her mother and in an effort to return the money to Steele in his bedroom across the hall she had awakened him. Naturally she could not explain why she was there with his five thousand dollars in her hand; he believed her guilty and she looked it. His love turned to anger; his trade awoke the house and the two old busy-body men saw her leave her lover's room in the dead of night.

Neila's reputation was gone and with it her mother's plan to sell her daughter's soul so that she might enjoy the luxuries which her husband had always provided. Had she a soul left? And what would it bring her?

On Saturday we are showing the fourteen episode of Vengeance and the Woman, and this is one Episode that the followers of this serial should not miss.

Do Not Miss Greater Vitaphone "Find the Woman" also showing on Saturday.

A LIFETIME OF
SUFFERING

Prevented by "Fruit-a-tives"
The Wonderful Fruit Medicine

"Is my opinion, no other medicine is as good as 'Fruit-a-tives' for Indigestion and Constipation."

For years, I suffered with these dreaded diseases, trying all kinds of treatments until I was told I was incurable.

Why Canada must borrow money to carry on

Because Canada has put her hand to the plow and will not turn back:—

—our country is in the war on the side of liberty and justice and will stay in it till complete victory is won and the unspeakable Hun is smashed and beaten to the ground;

—a nation at war must make tremendous expenditures in cash to keep up her armies and supply them with munitions, food and clothing;

—Canada must finance many millions of dollars of export trade in food, munitions and supplies which Britain and our allies must have on credit;

—for these purposes Canada must

borrow hundreds of millions of dollars—

And, this money must be borrowed from the people of Canada:—

Therefore, Canada will presently come to her people for a new Victory Loan to carry on.

Canadians will loan the money by again buying Victory Bonds.

The national safety, the national honor and the national well-being require that each and every Canadian shall do his duty by lending to the nation every cent he can spare for this purpose.

Be ready when the call comes to see your country through in its great war work

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada

Lacombe Sheep Sale and Show

As a result of the sale of purebred rams held in Lacombe on Wednesday under the auspices of the Central Alberta Purebred Sheep Breeders Association, twenty-eight rams were sold, realizing \$1258, or an average of approximately \$45.

The top price paid was for the second prize Oxford ram belonging to G. P. Burns, Blackfalds, and sold to T. W. Bower of Erskine, for \$90.00. This was a shearing bred by P. M. Bredt and Co. Calgary.

The champion Oxford ram belonging to Geo. A. Graham of Bentley, sold for \$80.00 to H. S. Corrigan, of Red Deer. This was bred by Samuel Young of Guelph, Ont. Just six Oxfords were offered, and brought an average of \$51.00.

Bidding was very keen on the Shropshires, but did not take them up to the pace set by the Oxfords. Twenty-one were sold, at an average of \$44.65. Some three or four did not get the \$30 bid, which was the lowest figure for which the association allowed a mature animal to be sold. The reserve price on all lambs was \$25.00, but there was no market for lambs, and they were taken back into the barn.

Suffolks went a begging also, and although several were offered by W. W. Stephenson of Bentley, Ray C. Miles of Bentley, Geo. H. Kent of Lacombe, and Jas. Berry of Lacombe, only one was sold for \$30.00 to Arthur J. Vook of Ponoka. No Hampshires or Southdowns were offered.

A. W. Sharp, past president of the association, and still an active member, offered seven nice yearling animals, among them the first and second prize winners. P. H. Winter also had in a very fair bunch of Shrops, and the Western Stock Ranches were showing four good Oxfords, two and three year old.

Young Bros of Lacombe, got first for the Oxford yearlings, and first and third for the Oxford lambs.

In the Shrops A. W. Sharp won this championship, with his shearing, J. J. Kasla winning first in both the aged class and the lambs. There were six entries in

the aged Shropshire class, but before Judge McCall during the show. The yearling Shrops were good, strong, growthy animals and the lambs were all nice and uniform.

In the aged Suffolks there were seven entries in the class, the first place being taken by Geo. H. Kent of Lacombe. Jas. Berry won the championship with his first-prize shearing. The judge remarked that this was a first-class model of a mutton sheep.

The classes were on the whole, better than ever before shown at Lacombe. The judge remarked that they were bigger and breeder sheep, and on the whole were shown in better condition.

Before C. F. Dameron, the auctioneer, took charge of the sale, short speeches were made by W. F. Stevens, live stock commissioner for the province, and G. H. Hutton, president of the association.

Mr. Hutton spoke on the advantage sheep had over cattle during this year of feed shortage. All other classes of live stock had suffered this year, but the sheep had been going right along. The prospects for sheep were also exceedingly good, and the man going into the sheep business was in a perfectly safe proposition.

Mr. Hutton commented on the increasing value of sheep all over the country, and quoted prices at the recent sale in Utah, where records were broken every day.

At the close of the sale proper, two lambs were offered by Geo. H. Kent, of Lacombe, and J. J. Kasla of Lacombe, for the Red Cross. These were re-sold five times, and the total sum realized was \$92.50, all going to the local Red Cross society. They were bought in the first place by B. F. Bailey for \$20.00, by C. F. Dameron for \$20.00, by John Graydon for \$20.00, by W. Hunting of Kinlay, for \$15.00 and were in each case turned in again and sold to A. Gilnour, of Lacombe, for \$17.50. This Red Cross sale went awfully, the auctioneer putting forth his best efforts, and the buyers responding readily. J. Fraser acted as secretary throughout the sale.

The awards at the show as placed by Jas. McCall are given here: Aged Oxfords—1, Geo. A. Graham, Bentley; 2 and 3, Western

Stock Ranches, Cluny. Yearling Oxfords—1, Young Bros, Lacombe; 2, G. P. Burns, Blackfalds.

Lambs—1, 2, and 3, Young Bros. Championship—Geo. A. Graham. Aged Shropshires—1, J. J. Kasla, Lacombe; 2, P. H. Winter, Lacombe; 3, G. H. Stephenson, Bentley.

Yearling Shropshires—1 and 2, A. W. Sharp, Lacombe; 3, P. H. Winter, Lacombe.

Aged Suffolk—1, Geo. H. Kent, Lacombe; 2, Ray C. Miles, Bentley; 3, W. W. Stephenson, Bentley.

Yearlings—1 and 2, Jas. Berry, Lacombe. Championship—Jas. Berry.

To The Citizens of Lacombe

I am directed by R. B. Owens, provincial Sanitary Engineer, to call your attention to the following:

There is now in the service of the Provincial Board of Health of the Province, three duly qualified sanitary inspectors, whose duty it is to make a sanitary inspection of every health district in the province.

The nature of the organization, personnel of the staff engaged, and every matter included under the term sanitation, supervised by the staff is investigated and reported on to the Provincial Board of Health. The following is a list of the more important matters usually included in these reports, very briefly named, yet each offering a very wide field for investigation and report.

Water supply, sewerage, sewage disposal, disposal of waste, scavenging, nuisance grounds, live stock, slaughter houses, meat stores, general stores, dairies, creameries, cream stations, hotels, lodging houses, restaurants, railway stations, cemeteries, ice supplies, ice cream and soft drink parlors, meat inspection, food, and drink generally, bakeries and noxious or other offensive trades.

The Provincial Board of Health takes this opportunity of thanking the great majority of local Boards who have loyally co-operated with the department in its effort to carry out the provisions of the Public Health Act, but with

reference to those districts where such co-operation does not exist, and no serious effort has been made to carry out the terms of the Public Health Act, a warning is now given that the courts may be used much more extensively in the future than in the past for the purpose of imposing penalties upon those who, through non-observance of the requirements of the act, endanger the health of the public.

A copy of the report of the sanitary inspectors is furnished by the Board of Health with view to providing its members with a detailed technical statement in tabular form, definite, easily understood, and the suggestions contained therein are easy to carry out.

W. J. Simpson,
M. O. H. Lacombe
